Manifesto

Introduction:

As an international student at Wrexham University, I am honored to run for the position of International Student's Officer. If elected, I am committed to representing your interests, advocating for your needs, and fostering a supportive environment for all international students.

1. Support and Integration:

- Establish orientation programs and mentorship opportunities for international students.
- Advocate for language support services and cultural integration workshops.
- Create a strong international student community for cross-cultural understanding.

2. Academic Excellence:

• Ensure international students have access to high-quality academic resources and support.

- Promote diverse perspectives and global perspectives in the curriculum.
- Enhance academic experiences through research and internship opportunities.

3. Welfare and Well-being:

• Address challenges faced by international students, including homesickness and cultural adjustment.

- Collaborate with counseling services for culturally sensitive mental health support.
- Advocate for affordable and safe accommodation options.

4. Community Engagement:

- Organize events celebrating diverse cultures and traditions.
- Encourage interaction between international and domestic students.
- Foster a welcoming and inclusive environment through cultural exchange programs.

5. Representation and Advocacy:

- Be a strong voice for international students in decision-making processes.
- Collaborate with student unions and administration to address concerns.
- Advocate for inclusivity, diversity, and equal opportunities for all students.

Conclusion:

Vote for me as your International Student's Officer, and together we can create an inclusive and

supportive environment that celebrates our international student community at Wrexham University.

Thank you for your consideration.
