

Blessing Francis

I'm Blessing Sotein Francis, studying MSc International Health Service Management, and I'm running to be your next Degree Apprentice Officer at Wrexham University.

Degree apprentices bring so much to campus life, but too often our voices don't get the attention they deserve. I want to change that by making sure we're recognised, supported, and celebrated as an important part of the student community.

If you vote for me, I'll:

1. Make sure apprentices' voices are heard loud and clear in university decisions
2. Push for better support and communication between us, tutors, and employers
3. Create more chances for apprentices to connect, share experiences, and feel part of the wider student community.

I'm approachable, hardworking, and passionate about making positive changes that will benefit all of us. With your support, we can make the degree apprentice experience at Wrexham the best it can be.

Vote Blessing Sotein Francis for Degree Apprentice Officer , let's make our voices count!
