

Hassan Muntasir

Hey everyone! I may be a 1st-year, but I've got the energy of a double espresso and the motivation to make your student life smoother, happier, and a little less stressful. As a people person (and certified good listener during group rants), I'll make sure your voice is heard and acted on. I'm running for Student Union Officer because I genuinely want to make our time at Wrexham more engaging and student-focused. My past experience as a student ambassador at school and IELTS teacher helped me learn how to lead, communicate, and get things done — without turning into that “email every 5 minutes” kind of leader. Vote for me, and let's make this year one to actually remember for the right reasons! I'll work hard, keep things fun, and maybe even get us free coffee someday (no promises, but we can dream).
