

Pulkit Tokas

Manifesto

As an international student at Wrexham University, I am honored to run for the position of Equality , Diversity and inclusion Officer. If elected, I am committed to representing your interests, advocating for your needs, and fostering a supportive environment for all international students.

I think we need a equality , diversity and inclusion officer who can understand students problems and make students to communicate with local students so everyone can understand and know equality , diversity and respect. I want students to know about local and about University properly.

I think a chance for me so, I can prove that I can make better for students coming semister and these year

Conclusion:

Vote for me as your Equality, Diversity and inclusion Officer, and together we can create an inclusive and supportive environment that celebrates our international student community at Wrexham University.

Thank you for your consideration.
